(You do not need to be present to win)

Share the POWER of a Wish

Fundraiser

The fundraiser began as a way for the Association to give back to the community. The first year was a benefit for the son of one of our deputies who had muscular dystrophy, and the family needed a van and wheelchair lift. The experience was so positive that we decided to make it a yearly event. We teamed up with Make-A-Wish Foundation of Wisconsin®, which grants the wishes of kids with life threatening medical conditions and the event has grown larger ever since. We have raised over \$285,000 which helped us grant wishes of trips, computers, tree forts and much more.

The whole community has helped us tremendously in our crusade. They have donated wonderful items to our auction, they have helped with the raffle, entered volleyball and softball teams in the tournament and have made this event a great success.

Several years ago we added the motorcycle ride and it was so well received that we added it as a regular addition to our event.

We have a variety of items in our silent auction including autographed sports memorabilia, electronic items, gift certificates for restaurants and other events, and so much more. There is food and beverage served throughout the event and you need not be present to win the raffle items.

Please come and join us for a wonderful event and make the difference in a child's life., they need to know that wishes can come true.
